Importance: High

Please share with those without access to computers/email.

- On Friday, JRM Published a Public Health Order to military members and Government employees prohibiting utilization of bars and dining-in restaurants due to the recent spike in positive COVID-19 testing. Restaurant pick-up and take-out is still permitted if proper safety protective measures are used. **Other individuals subject to DoD authority are advised to follow this guidance.**

Ladies and Gentlemen of DZSP 21. I recommend that you follow this guidance. I know many of us have been looking forward to a nice, sit-down meal in our favorite family or “date night” restaurant, but I agree with Rear Admiral Menoni.

The “loosening” of restrictions and control measures has caused this spike and we should heed his advice.

Thank you.

Thanks for all that you do for our military customers each and every day.
Please, stay safe, stay informed and stay healthy.

Love you all!

To all fathers – Happy Father’s Day!

May the Lord Bless you and keep you safe!
