To my DZSP 21 family:

Wearing protective face masks, maintaining social distancing, good personal hygiene and sanitization, etc. are to not only protect you but the public as well.

WEAR YOUR MASKS!!!

If you are in your vehicle and solo, you don't need to wear a mask but probably should, especially if driving a DZSP vehicle.

If you are in a vehicle with others, you should wear a mask, especially if they are not in your household.

If you are in a vehicle on base with others, you are required to wear a mask. You must also wear a mask if you are in a company vehicle, off base, with others.

Captain Grimes is serious. If you are caught without a mask on NBG, and others are in the vehicle, you will be fined and may be banned from the base.

For your own safety and the safety of those around you, please practice protective protocols.

Thank you, stay safe and have a blessed weekend.
