Team DZSP,

We just received the following from our Contracting Officer:

In accordance with declaration of Public Health Emergency by NBG ICO & 36 WG/CC, access to and operations onboard NBG/AAFB are limited to mission essential personnel/purposes. For the purposes of this order, the government has determined that all Guam BOSC functions are mission essential.

Please work with your employees to ensure they take necessary precautions such as exercising good hygiene and social distancing with no person-to-person contact to contain the spread of COVID-19. It is highly recommended to encourage your employees to participate in telework.

Should you have any questions or need further clarification, please contact me.

Very Respectfully,

Jee Blanton  
Contracting Officer  
NAVFAC MAR, BOS Division

Therefore, as far as our work is concerned, it is "almost business as usual." However, really need to tighten up your hygiene, sanitization and social distancing practices.

Any teleworking recommendations must be endorsed by your manager and approved by Program Management.

Thank you for all that you do. Have a safe weekend, etc.

Best regards to all,

wayne
