Profiles of Confirmed Cases

COVID-19 test results are reported from multiple labs at varying times of the day. The cumulative total from all labs will be reported on a nightly basis, unless unavailable.

Five cases tested positive through the Department of Public Health and Social Services and were reported last night. One case reported household contact to a confirmed case and was identified through contact tracing. The other four cases reported no contact to a confirmed case.

To date, there have been a total of **231** confirmed cases of COVID-19 with **5** deaths, **176** released from isolation, and **50** active cases. Of those cases, **189 are classified as civilians**, and **42 are military service members**—35 of which have been identified among a unit deployed to Andersen Air Force Base (AFB). As this is an evolving situation, information is subject to change with little to no notice.
