Diagnostic Laboratory Services (DLS)*	0	182	5
Guam Memorial Hospital Authority (GMHA) Laboratory**	0	36	0
Probable cases	0	N/A	3
TOTAL CONFIRMED COVID-19 CASES AS OF 9:45 PM, WEDNESDAY, APRIL 22, 2020			137

* Beginning March 31, 2020

** Beginning April 15, 2020

The Department of Public Health and Social Services (DPHSS) tested 34 individuals for COVID-19 on Wednesday, April 22, 2020 with conclusive results. Zero tested positive through DPHSS and 34 tested negative for SARS-CoV-2.

One (1) additional case tested positive for SARS-CoV-2 through the U.S. Naval Hospital (USNH) Guam.

The DPHSS overall count also includes probable cases of COVID-19 and confirmed positive cases tested by the Naval Health Research Center (NHRC) in San Diego, USNH Guam, Guam Memorial Hospital Authority (GMHA), and Diagnostic Laboratory Services (DLS).

To date, 137 cases have been confirmed through COVID-19 testing provided, with 5 deaths and 119 recoveries. Recovery means a patient is no longer considered infectious. According to the U.S. Centers for Disease Control and Prevention (CDC) research and published guidelines, a patient is classified as recovered after at least 72 hours have passed without a fever or additional respiratory issues and at least seven days have passed since symptoms first appeared. All remaining cases are in isolation.

For inquiries on COVID-19, contact 311 through a local number, or call the Joint Information Center at (671) 478-0208/09/10.
